## **The Beer Bible** Jeff Alworth

It's finally here—the comprehensive, authoritative book that does for beer what *The Wine Bible* does for wine. Written by an expert from the West Coast, where America's craft beer movement got its start, *The Beer Bible* is the ultimate reader- and drinker-friendly guide to all the world's beers.

No other book of this depth and scope approaches the subject of beer in the same way that beer lovers do—by style, just as a perfect pub menu is organized—and gets right to the pleasure of discovery, knowledge, and connoisseurship. Divided into four major families—ales, lagers, wheat beers, and tart and wild ales—there's everything a beer drinker wants to know about the hundreds of different authentic types of brews, from bitters, bocks, and IPAs to weisses, milk stouts, lambics, and more. Each style is a chapter unto itself, delving into origins, ingredients, description and characteristics, substyles, and tasting notes, and ending with a recommended list of the beers to know in each category. Hip infographics throughout make the explanation of beer's flavors, brewing methods, ingredients, labeling, serving, and more as immediate as it is lively.

The book is written for passionate beginners, who will love its “if you like X, try Y” feature; for intermediate beer lovers eager to go deeper; and for true geeks, who will find new information on every page. History, romance, the art of tasting, backstories and anecdotes, appropriate glassware, bitterness units, mouthfeel, and more—it's all here. Plus a primer on pairing beer and food using the three Cs— complement, contrast, or cut. It's the book that every beer lover will read with pleasure, and use with even more.

### From reader reviews:

#### **Ronnie Hamilton:**

Book is to be different for every single grade. Book for children till adult are different content. We all know that that book is very important for people. The book The Beer Bible ended up being making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The reserve The Beer Bible is not only giving you much more new information but also to become your friend when you experience bored. You can spend your personal spend time to read your book. Try to make relationship while using book The Beer Bible. You never feel lose out for everything when you read some books.

#### **John Casale:**

The reason why? Because this The Beer Bible is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will surprise you with the secret that inside. Reading this book alongside it was fantastic author who have write the book in such incredible way makes the content on the inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of benefits than the other book get such as help improving your expertise and your critical thinking way. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.

#### **Bryan Donovan:**

Playing with family in the park, coming to see the water world or hanging out with good friends is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Beer Bible, you can enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout folks. What? Still don't get it, oh come on its named reading friends.

#### **Alta Favors:**

Reading a guide make you to get more knowledge as a result. You can take knowledge and information from a book. Book is prepared or printed or highlighted from each source that filled update of news. In this modern era like at this point, many ways to get information are available for an individual. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just searching for the The Beer Bible when you necessary it?
