The Lily Lockwood Series: Book One

Sarah Jessica Parker has said about this book: "What a great story!" From the outside looking in, Lily Lockwood—popular star of the hit TV show "St. Joes"—seems to have it all. She has recently been nominated for an Emmy and her star is on the rise. Lily shares her beachfront Malibu home with her gorgeous actor-boyfriend Jamie. A perfect movie star romance and love story? Not so fast. Within a microcosmically short period of time, the whole thing falls apart when she learns that this boyfriend, on location shooting a Western, is riding horses all day and his curvy co-star all night. Lily is heartbroken, but before she can catch her breath she gets words that her mother, Daisy Lockwood—beloved author of women's fiction beach reads and whose newest books are both New York Times bestsellers—has had a near-fatal car crash and is in intensive care in New York. Lily is devastated since the two have a bond that is closer than any mother daughter friendship could be. Lily flies from Los Angeles to be with Daisy. Once there, she must make critical life-and-death decisions. While sorting through her mother's papers, Lily makes a shocking discovery about her mother that threatens to shake Lily's very foundation. This sets Lily on a journey as she seeks to unlock the riddle of her mother's past. More than a medical drama fiction, this award-winning tear-jerker, chock full of funny moments, suspense and mystery will keep you on the edge of your seat.
