There's No Such Thing as a Dragon

There's No Such Thing as a Dragon

A classic dragon tale returns in paperback!

When Billy Bixbee finds a tiny dragon in his bedroom, his mom tells him, “There’s no such thing as a dragon!” This only makes the dragon get bigger. He grows, and grows, and grows, until he’s bigger than Billy’s house—and that’s just the beginning!

Charming text and playful illustrations by well-known author-illustrator Jack Kent pair in a terrific story that demonstrates how a little attention can make a big difference, no matter what size the problem.

From reader reviews:

Michael Decker:

Reading a book to get new life style in this yr; every people loves to go through a book. When you go through a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you want to get information about your examine, you can read education books, but if you want to entertain yourself you are able to a fiction books, these us novel, comics, and also soon. The There's No Such Thing as a Dragon will give you new experience in examining a book.

Maria Carlin:

You may spend your free time to study this book this book. This There's No Such Thing as a Dragon is simple to create you can read it in the park, in the beach, train as well as soon. If you did not have much space to bring often the printed book, you can buy typically the e-book. It is make you easier to read it. You can save the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Fred Martinez:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this There's No Such Thing as a Dragon can make you experience more interested to read.

Bradley Cox:

What is your hobby? Have you heard this question when you got students? We believe that that problem was given by teacher to the students. Many kinds of hobby, All people has different hobby. Therefore you know that little person such as reading or as reading through become their hobby. You have to know that reading is very important along with book as to be the matter. Book is important thing to provide you knowledge, except your own teacher or lecturer. You get good news or update concerning something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them is this There's No Such Thing as a Dragon.
