Huey P. Newton remains one of the most misunderstood political figures of the twentieth century. As cofounder and leader of the Black Panther Party for more than twenty years, Newton (1942-1989) was at the forefront of the radical political activism of the 1960s and '70s. Raised in poverty in Oakland, California, and named for corrupt Louisiana governor Huey P. Long, Newton embodied both the passions and the contradictions of the civil rights movement he sought to advance. In this first authorized biography, Newton's former chief of staff David Hilliard and best-selling authors Keith and Kent Zimmerman team up to tell the WHOLE story of the man behind the organization that FBI director J. Edgar Hoover infamously dubbed "the greatest threat to the internal security of the country."
