**Pathfinders: A Global History of Exploration** Felipe Fernández-Armesto

"A brilliant and readable book...a rich study of humankind's restless spirit." —Candice Millard, *New York Times Book Review*

Greeted with coast-to-coast acclaim on publication, Fernández-Armesto's ambitious history of world exploration sets a new standard. Presenting the subject for the first time on a truly global scale, Fernández-Armesto tracks the pathfinders who, over the past five millennia, lay down the routes of contact that have drawn together the farthest reaches of the world.

*The Wall Street Journal* calls it "impressive...a huge story [told] with gusto and panache." To the *Washington Post*, "Pathfinders is propelled by an Argonaut of an author, indefatigable and daring. It's a wild ride." And in a front-page review, the *Seattle Times* hails its "tart and elegant presentation...full of surprises. Fernández-Armesto's lively mind, pithy phrasing, and stunningly thorough and diverse knowledge are a constant pleasure."

A plenitude of illustrations and maps in color and black and white augment this rich history. In *Pathfinders* we have a definitive treatment of a grand subject.
