The Death Factory: A Penn Cage Novella (Penn Cage Novels) Greg Iles

Death is the end, and if a man doesn't speak before it silences him, then his deepest secrets go with him.

From #1 *New York Times* bestselling author Greg Iles comes an e-original novella featuring former prosecutor Penn Cage, a story of family secrets and justice denied, plus an excerpt from his new novel, *Natchez Burning*.

When a heart attack sends Penn's father, Tom Cage, to the ER, Tom begs that his son be brought to his side to hear a dying declaration. But when Penn arrives, Tom denies ever making the request—keeping his secrets for another day.

The emergency hurls Penn back to a chilling case in Houston, where he worked in a DA's office known as the "death factory," which sent more killers to death row than any other in America. While Penn cares for his ailing wife, a tormented forensic technician brings him evidence of a crime lab in chaos, throwing past convictions into doubt and begging Penn to prevent an imminent travesty of justice. With the desperation of a man fighting death in his own home, Penn must find a way to bring the machinery of the death factory to a halt.

Included here is an extended sneak preview of *Natchez Burning*, the first installment in an epic trilogy featuring Penn Cage.
