**Welcome to Marwencol** Mark E. Hogancamp, Chris Shellen

In April 2000, Mark Hogancamp was beaten and left for dead outside a bar in his hometown of Kingston, NY. Waking from a nine-day coma, he had no memory of the thirty-eight prior years of his life, including his ex-wife, family, artistic talents, or military service. To reconstruct his past, Hogancamp built, in his backyard, Marwencol, an imaginary village set in World War II Belgium, where everybody is welcome—Germans, Americans, French, British, and Russians—as long as peace is kept. With 1:6 scale action figures and Barbie dolls, as well as toy armaments and meticulously built props, buildings, and clothes, Marwencol is an alternate reality, created with painstaking (and sometimes painful) realism and obsessive attention to detail.

Here, riveting wartime dramas are played out and photographed in saturated hues and unflinching detail. The emotional narrative mirrors the artist's own: through Marwencol, Hogancamp regained his cognitive facilities.

*Welcome to Marwencol* is an astonishing story of the redemptive power of art—of art as therapy and act of obsession.

### **From reader reviews:**

#### **Ashley McKay:**

Nowadays reading books are more than want or need but also work as a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge even the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want have more knowledge just go with education books but if you want feel happy read one with theme for entertaining for example comic or novel. Often the Welcome to Marwencol is kind of guide which is giving the reader capricious experience.

#### **James Stewart:**

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even a problem. What people must be consider any time those information which is in the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you have the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Welcome to Marwencol as the daily resource information.

#### **Robert Defazio:**

Your reading 6th sense will not betray anyone, why because this Welcome to Marwencol e-book written by well-known writer who really knows well how to make book that can be understand by anyone who else read the book. Written inside good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still uncertainty Welcome to Marwencol as good book but not only by the cover but also by the content. This is one reserve that can break don't ascertain book by its include, so do you still needing another sixth sense to pick this!? Oh come on your studying sixth sense already alerted you so why you have to listening to one more sixth sense.

#### **Annie Rose:**

What is your hobby? Have you heard that question when you got college students? We believe that that query was given by teacher on their students.
