**An FBI agent discovers a conspiracy to send planes falling from the sky in this suspense-charged thriller from *New York Times*–bestselling author John J. Nance**

A Boeing/McDonnell-Douglas MD-11 jetliner crashes into the Gulf of Mexico a mile inside Cuban waters, killing all three hundred and twenty passengers onboard. The last three minutes on the plane's cockpit voice and data recorders have been erased. Was this a massive mechanical failure or an act of terrorism?

At an air terrorism conference, FBI agent Kat Bronsky learns journalist Robert McCabe has received frightening information about the MD-11 crash from a source that mysteriously disappeared. When another airliner goes down after its pilots are flash-blinded midflight, Bronsky and McCabe find themselves at the center of what might be a deadly government cover-up. Unable to trust her colleagues at the FBI, Bronsky must rely on her own wits and piloting skills as she races to unmask the conspirators before the entire American airline industry comes crashing out of the sky.
