Elliott Erwit's Kolor

Elliott Erwit's Kolor

To select the never-before published color photographs for this vast project, Elliott Erwit sifted through his ample archive of nearly half a million 35mm slides. Then he began the mammoth task of whittling it down to this epic collection of roughly 450 pages. For most of these images, the color managed to stay miraculously preserved and every evocative detail is as crisp as the date of its creation. Whether world leaders or sassy showgirls, the subjects reflect Erwit's own wry and eclectic sensibility. To say the juxtapositions are intriguing would be an understatement. From marketplaces to military camps, Vegas to Venice, there's a rich mixture of public pageantry and carefully observed private interactions.

English/German/French/Italian/Spanish edition.
