The 50-Mile Rule: Your Guide to Infidelity and Extramarital Etiquette Judith E. Brandt

At least half of all married men and women have cheated on their spouse at least once. Yet cheaters often find themselves stumbling through their marriage and their affairs, causing great pain to themselves and the people they care about. If you're considering having an affair (or suspect that your partner is having one) Judith Brandt's THE 50-MILE RULE will show you how to safely stray (or how to catch your adulterous partner). THE 50-MILE RULE gives men and women the information they need to make smarter decisions when pursuing sex outside of marriage (including the rule that spouse and lover should never live within 50 miles of each other). Discover who makes a suitable affair partner, the rules you must never break, when to call it quits, and what to do if you're caught. With sensible facts that make a case for fidelity, as well as practical tips for having successful affairs, THE 50-MILE RULE is the ultimate handbook for cheater and scorned alike. Did you know . . . Only 5% of affairs result in marriage between the affair partners. An estimated 10% of all children born to married women are raised by husbands who are unaware that they are not the biological father. There are 15% more single women than single men in America.
