For Women
7 Sessions

For Women Only is for every woman who wants to support her man in becoming all that God intends him to be. Growing out of the popular For Women Only: What You Need to Know About the Inner Lives of Men and its eye-opening discoveries, this seven-week study will help women put their relationships under the searchlight of God's Word. With its focus very specifically on men, this study can lead to change in heart attitudes for any woman who participates.

Practical tips growing out of biblical principles-combined with the author's insights and timely interviews with men themselves-will help women put their new insights into practice day-by-day. Grounded in biblical hope, For Women Only is for all women-whether single, dating, or married or simply relating to male coworkers in the workplace or siblings or dad at home. It is an ideal outreach to women who do not have any connection to a local church, but have a desire to strengthen their marriage or relationships.

The Leader Guide, at the back of the Member Book, provides options on using this study in a retreat setting as well as in the traditional church or home settings.
