The Crown Jewels Anna Keay

An extraordinary, newly photographed celebration of this centuries-old collection: England's Crown Jewels.

The Crown Jewels have often been called “the finest jewelry collection in the world.” This book provides a dazzling mix of art and photography with entirely new views plus spectacular details. Individual pieces, gems, and carefully selected groups of objects: the royal jewels can be seen here as never before.

The priceless objects in the collection were created to be the physical embodiment of English sovereignty, and their story is that of the English monarchy itself—from the spoon used to pour out the holy oil of St. Thomas Becket at the coronation to the crown that King Edward VIII took into exile after he abdicated in 1936. In addition to the specially taken photographs of the jewels there are paintings and photographs of monarchs wearing the regalia, coronation ceremonies, and royal events during which items from the collection are used.

The Crown Jewels are visited at the Tower of London by more than two million people each year. Based on original research and written by an expert in English court history, this is the definitive record of a most remarkable collection. 277 full-color and 19 black-and-white illustrations

From reader reviews:

Rufus George:

The book The Crown Jewels gives you the sense of being enjoy for your spare time. You can use to make your capable much more increase. Book can to become your best friend when you getting stress or having big problem together with your subject. If you can make examining a book The Crown Jewels to get your habit, you can get considerably more advantages, like add your capable, increase your knowledge about a number of or all subjects. You can know everything if you like available and read a e-book The Crown Jewels. Kinds of book are a lot of. It means that, science guide or encyclopedia or other individuals. So , how do you think about this guide?

Tiffany Serna:

People live in this new day of lifestyle always make an effort to and must have the time or they will get great deal of stress from both lifestyle and work. So , when we ask do people have extra time, we will say absolutely without a doubt. People is human not a robot. Then we consult again, what kind of activity do you possess when the spare time coming to you of course your answer may unlimited right. Then do you ever try this one, reading guides. It can be your alternative in spending your spare time, the book you have read will be The Crown Jewels.

William Black:

As we know that book is vital thing to add our information for everything. By a book we can know everything we really wish for. A book is a group of written, printed, illustrated or even blank sheet. Every year was exactly added. This e-book The Crown Jewels was filled in relation to science. Spend your free time to add your knowledge about your technology competence. Some people has several feel when they reading a book. If you know how big good thing about a book, you can experience enjoy to read a guide. In the modern era like right now, many ways to get book that you just wanted.

Kim Nielsen:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Crown Jewels can make you really feel more interested to read.
