David Wilkerson's Vision and Deuteronomy 18 (IBRI Occasional Papers Book 40)

Robert C. Newman

David Wilkerson's Vision and Deuteronomy 18 (IBRI Occasional Papers Book 40) Robert C. Newman
A paper first published in 1976 attempting to test the predictions of David Wilkerson's book *The Vision* (1974) against the biblical criteria for a true prophet. We consider the tests for a true prophet according to Deuteronomy 13 and 18, some short-range predictions in *The Vision*, and the economic situation in the few years following April 1973. A note has been added looking at Wilkerson's predictions as of November 2008.
