We can take our world for God by giving the ministry to laymen who are using their gifts to grow their groups, to double their groups every two years or less. A group of ten that doubles every eighteen months will reach a thousand people in ten years. It is happening. It is happening like never before. Bill Hybels spoke at North Point's fifteen-year anniversary. He described North Point by saying it is the fastest movement in history. How did they do it? Doubling groups that are growing through hospitality are two key components. They are two components every church can use to reach their community. May God richly bless your efforts to reach people for Him. We must work in the power of the Holy Spirit. We must work in faith. We must work in humility. May God richly bless His work through His people for His glory.
