George Harrison - the Ultimate Listening Guide

Dave Thompson

George Harrison - the Ultimate Listening Guide Dave Thompson

George Harrison was the quiet Beatle, the intense Beatle and, following the Fab Four's implosion in 1970, he was also the most successful Beatle. At least for a time.

The Ultimate Listening Guide is the story of George Harrison told through the series of always thoughtful, often spectacular, and so immortal LPs that he cut between 1970 and his so tragic death in 2001.

The Ultimate Listening Guide is a series of short (approx 40 page) guides to the lives, times and most crucial recordings by a wide range of artists.

Many are based around exclusive interviews featuring the artist's own recollections and reactions to his or her unfolding career, and are packed with both personal information and key collector's data.

For the past thirty years, author Dave Thompson has been a contributor to a variety of collectors publications, including Goldmine, DISCoveries, Record Collector, Spiral Scratch, Live Music Review, Big O and British Punk Collector. He is also editor of the long-running Goldmine record price guides.

Titles in this series include:

Eric Clapton

The Clash

Emerson, Lake & Palmer

Peter Frampton

Peter Green and Fleetwood Mac

George Harrison

Robyn Hitchcock

Kraftwerk

John Lennon

Bob Marley & the Wailers

John Mayall & the Bluesbreakers

Paul McCartney & Wings

Joe Meek

the Mothers of Invention

Mike Oldfield

Elvis Presley

Queen

The Rutles

Status Quo

Thin Lizzy
