## **Letter To A Man In The Fire: Does God Exist And Does He Care** Reynolds Price **Does God Exist and Does He Care?**

In April 1997 Reynolds Price received an eloquent letter from a reader of his cancer memoir, *A Whole New Life*. The correspondent, a young medical student diagnosed with cancer himself and facing his own mortality, asked these difficult questions. The two began a long-distance correspondence, culminating in Price's thoughtful response, originally delivered as the Jack and Lewis Rudin Lecture at Auburn Theological Seminary, and now expanded onto the printed page as *Letter to a Man in the Fire*.

Harvesting a variety of sources -- diverse religious traditions, classical and modern texts, and a lifetime of personal experiences, interactions, and spiritual encounters -- Price meditates on God's participation in our fate. With candor and sympathy, he offers the reader such a rich variety of tools to explore these questions as to place this work in the company of other great testaments of faith from St. Augustine to C. S. Lewis. *Letter to a Man in the Fire* moves as much as it educates. It is a rare combination of deep erudition, vivid prose, and profound humanity.
