Sexy Love (Sexy Series Book 4) Dani Lovell

Alexia Berkeley is a strong, powerful and independent woman who doesn't need a man for anything. Well – other than a little light relief here and there, of course.

Sebastian Love has always flirted with her but other than the fine, professional businessman he manages to be when necessary, she knows what he's like socially; a perverse, lecherous roué with nothing on his mind but female genitalia. Nothing could be further from her 'type', than him.

Could Alexia Berkeley have gotten Sebastian Love all wrong? She definitely seems to think so after a drink or two whilst letting her hair down with the girls, and his delicious, tattoo covered body certainly takes her into a new realm of naughtiness and desire. Will she abandon her rigid beliefs of decorum and correctness for a lasciviously thrilling lifestyle or will her life-long morals overrule?
