Mary A. Kassian

**The Feminist Mistake: The Radical Impact of Feminism on Church and Culture** Mary A. Kassian

Feminism remains one of the most urgent issues the church is facing today, as shown by the increasing confusion over gender roles in marriages, families, and churches. With a growing number of theologians and denominations advocating radical gender egalitarianism, we must answer many questions about women in the church-and in the wider culture. In order to do this, first we need to understand the history and development of feminist thought.

In *The Feminist Gospel*, Mary Kassian provided a thought-provoking inquiry into the history of feminism. Now, in this thoroughly revised and updated book, she revisits the subject, adding to its history an examination of the effects of feminism. *The Feminist Mistake* is a reliable, biblical critique that will provide answers and inspire serious reflection on this issue.
