**The National Chess Syllabus(TM) featuring the Bandana Martial Art Exam System(TM)** Charlie Storey

The National Chess Syllabus™ featuring The Bandana Martial Art Exam System™ is a fun & funky way of learning how to play chess. The book is the cornerstone of the World Children's Chess Academy (W.C.C.A.) an organization set-up to bring regular chess activities to all children in the world especially traditionally disadvantaged children in hospitals, areas of financial hardship or economic suppression. The books author is Charles H. Storey 3X National Chess Champion & winner of more than 60 open tournaments in England. A Professional chess instructor to children for over 15 years the author has defeated over 30 Grandmasters in officially rated games including Michael Adams the Worlds 3rd Best Player!!

The book is well structured and is set up as 40 simple lesson plans with the school teacher in mind. What makes this book particularly unique is how it weaves the learning into a Traditional Martial Art Syllabus from White-Yellow-Orange-Green-Blue-Purple-Brown-Black Belt. Each Belt (Bandana) course content is well thought out to enable a teacher or the private reading student to complete each Belt within 5 Hours followed by a 1 Hour Test.

Now the real selling point to the book: Each time a student passes a test (tests have been researched to be challenging to the child's ability) he is mailed a Bandana & Certificate from World Children's Chess Academy (W.C.C.A.) Head office. With the net result the kids are highly motivated to develop their chess skills and the teacher leaves all the production of the Bandanas to our Head Office, the teacher has nothing else to do but apply the simple lesson plans and can quickly see each student's ability by what colour Bandana each student is wearing. Additionally any person acquiring the Black Bandana also attains the Teaching Certificate on completion of a C.R.B Police check.
