Weather: An Act of Man Michael Fleming

Humans are the only species willing to destroy their nest. With their power to create and destroy life and property - some choose the wrong decision due to mental illness. These "mad scientists" who use chemical weapons on American citizens and create un-natural disasters through cloud seeding and geoengineering have ongoing mental issues that need to be solved immediately in order to prevent further harm to planet Earth... our only place to live. David Keith, geoengineering poster-child and domestic terrorist, believes that he can "save the planet" by "spraying it with battery acid," while admitting to the murder of over 1 million individuals per year from his "test-in-progress." Need I say more?
