Have you always had an interest in Wicca or witchcraft but had no coven to join, and didn't really know who to ask or where to start? Or, do you have some familiarity with Wicca but practice alone, or are working to complete your own Book of Shadows? This book is geared for the beginning Wiccan who is curious about the Craft and isn't sure where to start learning or how to become a part of the community! It assumes some familiarity with the art form, but no actual experience with the craft. There are lengthy and thorough discussions on the history and basic philosophies of Wicca, the Sabbats, crystal properties, herbalism, some basic spells, and a couple advanced practices to whet the palate for further study.
