And while they try to make amends, things only get worse. It takes them a while to realize- If you try and screw with the IIT system, it comes back to double screw you. Before they know it, they are at the lowest echelons of IIT society. They have a five-point-something GPA out of ten, ranking near the end of their class. This GPA is a tattoo that will remain with them, and come in the way of anything else that matters - their friendship, their future, their love life. While the world expects IITians to conquer the world, these guys are struggling to survive.
