There is an urgent need in this current phase of human evolution for the Divine Feminine aspect of God or Mother God. Without a conscious connection with the Divine Mother, we have overly expressed and identified with the wounded masculine or patriarchal frequencies of attainment, achievement, aggression, domination, and self-image. In *The Arms Of Divine Mother* shares Jillian Vriend's discovery of an intimate, nurturing, self-validating, and catalyzing experience of a Divine Motherly presence that goes beyond the limiting picture offered by fundamentalist religion or guru-based enlightenment achievement models of spirituality. This book offers how anyone can experience deep healing through visualization visits with the Divine Mother and Four of Her Faces: Kuan Yin, Magdalene, Mother Mary, and the Dark Mother. This book's touching message is that the Divine Mother is ready and waiting and in Her arms you can experience yourself as the sacred human you were meant to be! There is also an introduction to the SoulFullHeart Way Of Life, a catalytic healing path that integrates emotional and spiritual consciousness through getting to know parts of yourself or subpersonalities.
