Lost Galveston (Images of America)

Brian M. Davis

Lost Galveston (Images of America) Brian M. Davis

For nearly 200 years, a permanent settlement at the mouth of Galveston Bay has welcomed pirates, sailors, immigrants, and visitors from around the world. As Galveston grew, its buildings were visible signs of the city's prosperity and the talent of its craftsmen. For many, this city was a gateway to America and an inspiration of what other communities in Texas and the Southwest would become. Although Galveston has thousands of historic buildings remaining, many have been lost to the elements and development over the years. Buildings such as the ones found within these pages define the character of our city and its culture.
