Rival - The Complete Series: Part One, Part Two & Part Three Miranda Dawson

Five years ago on July 26th, Amy Kendrick's life changed forever.

The Complete Rival series now available in one bundle!

Part One

One night a year—that's the time Amy Kendrick devotes to her love life. She uses it as a reminder that she's the one who's in control of her body and who she sleeps with.

But this year's one-night stand doesn't go to plan. Instead of waking up next to last night's "date," Amy opens her eyes to see Matthew Bowers, the billionaire CEO of DataSource, standing over her wondering why the hell she is in his bed. Despite the unusual first meeting, Matthew offers her a job—one so good she can't possibly refuse.

Amy cannot resist Matthew's charm, his good looks, or the sparks that fly between them whenever they're in the same room. She can't deny how he makes her feel, and soon her policy of one night a year turns into something much, much more.

But if he knew what happened on July 26th, he'd never look at her the same. And if he gets any closer, he might just stumble upon that secret—and so many more.

Part Two

After Matthew seemingly betrays her trust, Amy breaks down and reveals the truth about what happened on that fateful night five years ago that changed her life forever.

But while Amy takes Matthew into her confidence, she can't help but suspect he has a few secrets of his own. Why does he keep some parts of his personal life so close to his chest and why does he hate Craig with such a passion?

When Amy digs a little further into the mystery she is confronted face on with something she was hoping would remain in her past.

Part Three

Amy Kendrick thought she had moved on from the painful events of five years ago. She has a great job and her relationship with Matthew Bowers is emotionally and physically satisfying. But her life threatens to go off the rails when she comes face-to-face with the man who still haunts her nightmares. Instead of running, Amy decides enough is enough. She is going to figure who is messing with her life and see they get what's coming to them.

When Amy uncovers secrets about Matthew's past she fears the one good thing left in her life--her relationship with Matthew--is a lie. Matthew opens up and confides in Amy, but is it too late? Knowing the problem is only half of the battle; the real challenge comes when Matthew and Amy try to catch the guilty parties in the act. Amy wants those involved to be punished, but what price is she prepared to pay to see that happen?
