The unchanging character of God is revealed throughout the Bible. Over and over we see that God is love and that He is good. Most of us would not disagree about His many amazing attributes. However, our individual beliefs about who God is to us personally can vary greatly among all believers. That is because our concept of God is influenced by other factors such as our experience with our own earthly fathers, other people, circumstances, etc. Unfortunately, many of us believe lies about God. We have some distorted perceptions and understanding of the God of the Bible.
