## The Cloud of Unknowing: and The Book of Privy Counseling

William Johnston--an authority on fourteenth century spirituality and specifically on the writings of this unknown author--provides a substantive and accessible introduction detailing what is known about the history of this text and its relevance throughout the ages. Also included here is the author's other principal work, *The Book of Privy Counseling*--a short and moving text on the way to enlightenment through a total loss of self and consciousness only of the divine.
