A Night of Questions: A Passover Haggadah

A Night of Questions: A Passover Haggadah

A Night of Questions is a unique four-in-one Haggadah that includes outlines for customizing a Seder for the people present at the table. The four menus include a Seder for young children, a Seder for older children with adults, a Seder for groups of diverse backgrounds (including those who are not Jewish), and a Seder focusing on the role of women.

The Haggadah also features special color-coded graphic icons that highlight the different types of readings such as kavanot, which are introductions to the text that set the tone for the text, and readings for children. Readings and songs are drawn from a wide variety of sources, representing the diversity of the Jewish community and the world in which we live. Accompanying the text is compelling new artwork by Jeffrey Schrier, which itself serves as a commentary on the Haggadah liturgy. This 10th Anniversary Hardcover edition is a great gift for a special seder. Give this as a gift to a host or a long-time congregational supporter, or just a friend who wants a beautiful and durable copy of this Passover classic. 'This publication of the 10th anniversary edition is a celebration of the impact of A Night of Questions and a tribute to its continuing and special role in enabling Jews to gather to enact an ancient ritual and create new Jewish meaning' - Carl Sheingold, EVP of the Jewish Reconstructionist Federation.
