Back to School Memoir Anthology 2013 Karen Media

If there is one memory we can't bury, it is most likely a school memory. Whether you attended public or private school, or you were taught at home, you spent some time of your life learning. Many of us tend to gravitate towards the bad memories of school, and I am sure that everyone has at least one bad memory or embarrassing moment, but I was relieved and happy to see that many choose to focus on the successes and the joy of school as well. This compilation of memoirs encompasses the good and the not so good memories of being in school. I would like to thank all of the people who contributed to this anthology . The authors here are teachers, artists, authors, and professionals from all walks of life.
