Bad Hair Day Blues: Ugli Petz Book 4 Dakota Daniels

When a young Beverly Hills socialite visits her local zoo, she is unhappy to see a motley collection of ugly birds and other animals. One of those animals, a young hornbill, is having a very bad hair day. Of all days to suffer from bad hair, it's the day of the Beverly Hills Zoo annual dance!

The zoo animals convene to discuss what to do about the young bully. After hearing different points of view from animals of the air and sea, it is decided that the bully shall be ignored and pitied. This short tale (approximately 20 pages) is told primarily via pictures, and will delight both adults and children. Prepare to see some of the most ugly - and misunderstood - creatures imaginable. There is no profanity or violence.
