**Volume 2 in the internationally bestselling *In the Land of the Long White Cloud* saga**

*Song of the Spirits* continues the soaring saga begun with *In the Land of the Long White Cloud*, as the founding families of colonial New Zealand experience trials and triumphs of friendship, romance, and unforgettable adventure.

Elaine O'Keefe is the radiant grand-daughter of Gwyneira McKenzie, who made her way to New Zealand to take a wealthy sheep baron's hand in marriage in *In the Land of the Long White Cloud*. Elaine inherited not only her grandmother's red hair but also her feisty spirit, big heart, and love of the land. When William Martyn, a handsome young Irishman of questionable integrity, walks into her life, she succumbs rapidly to his charms. Only to have her heart broken when her sensual half-Maori cousin Kura Warden arrives for a visit and draws William away.

Though both young women must endure hardships and disappointments as they learn to live with the choices they make, each of them also discovers an inner resilience—and eventually finds love and happiness in new, unexpected places. Tested by the harsh realities of colonial life, both girls mature into spirited young women with a greater understanding of the challenges—and joys—of love, friendship, and family.
