Autumn's mom grew fond of Christian as her love for Stephen grew stronger, this didn't go so well with Autumn as she wasn't getting much attention from her mom now that school has started. Autumn's friends all think that Christian is really hot amongst other girls who always wound up around Christian given the fact that he was very attractive and funny. An event happened when Stephen and autumn's mom were out leading to a smoky kitchen, autumn rushed down only to find Christian standing near the oven really frightened, he tried cooking but messed up, she helped him clean the mess up and after which her smile grew and she suddenly felt annoyed with myself. She couldn't believe she was showing Christian a positive emotion like this. It was almost sickening. Looking around, she realized the place was almost clear of smoke now. The windows had really helped clear the place out.
