A plane crash in the desert. Doubles lurking in the shadows. A missing wife. A clairvoyant mistress. Eight demons. A thousand corpses. One savage journey through the Wastelands of China... Logan Solomon is a Southern gentleman who has lived in Beijing far too long. Aside from the shady business deals, surveillance jobs, and the often decadent lifestyle of the jaded foreigner, he has also managed to alienate his wife Li Na while associating himself with very rough characters—some who might not even be human. Following a seemingly chance encounter aboard a train, a chain of events is set in motion that will change Logan's destiny forever, and leave a trail of dead in the wake. In response to a pleading late-night phone call from her estranged mother, Li Na and Logan embark on a dangerous trip south to a village unknown to outsiders. They are accompanied by an old friend from Georgia who may or may not be able to see the future; a hulking tattooed sociopath with glowing red eyes and a short temper; and a tall man in black who, when not turning into a spiral or effortlessly passing between impossibly tight spaces, loves waxing philosophic over milk tea and kebabs. When Li Na goes missing somewhere in the bamboo forests of Sichuan, young Solomon conjures up the darkest of forces to assist him in getting her back—a decision that may cost him not only his own life, but those of countless others along the way. On their pilgrimage west to find her and kill whoever is responsible for the abduction, these four strangers will encounter villainous doppelgangers, thugs who vomit locusts, whorehouse succubae, satanic congregations in the wilderness, secret government installations, haunted plains, ravaged outposts, forgotten ruins, and countless cities reduced to rubble. Part epic modern rendition of the King Solomon legends, part hellish travelogue, and all white-knuckle terror, *Desert Bleeds Red* is critically acclaimed author Jason S. Hornsby's (*Every Sigh*, *The End and Eleven Twenty-Three*) masterpiece, a haunting vision of China and humanity unlike anything you can imagine.
