La teología del Nuevo Testamento: Muchos testigos, un solo evangelio (Spanish Edition)

I. Howard Marshall

La teología del Nuevo Testamento: Muchos testigos, un solo evangelio (Spanish Edition) I. Howard Marshall

En esta síntesis oímos claramente las opiniones teológicas de los libros individuales del Nuevo Testamento. Así pues, la teología del Nuevo Testamento de Marshall podría considerarse también como un tipo de introducción teológica a los libros del Nuevo Testamento. A su vez se convierte en un atractivo complemento a las introducciones individuales de cada libro al Nuevo Testamento. "Este libro es el logro impresionante de un erudito relevante y un maestro de gran talento. Bajo una forma muy atractiva expone el fruto de muchos años de amplia lectura y reflexión. Estudiantes y eruditos apreciarán por igual la claridad del debate, el juicio matizado sobre las cuestiones controvertidas y la orientación que proporciona para una lectura complementaria. Yo aprecio en particular la forma en la que aborda el autor su exposición de la teología del Nuevo Testamento, "testigo a testigo": tanto los distintos temas de los escritos individuales como los hilos unificadores reciben esmerada atención". Graham Stanton, Profesor de Divinidad en la Universidad de Cambridge de lady Margaret.
