## **Power of the Word (One Book 1)** Reverend George Michael-Okafor

Have you ever wondered why some human beings are really prospering in all ways while some are not? Well, the answer or reason is not far fetched. Just take a break and look into what they are confessing into their individual life. Those who confess negative things get same while those who confess positive equally get the positive they confess, for there is power in the word we speak. Are you confessing your situations the ways you see them or the ways you want them? Positive confessions give birth the positive results while negative confessions give birth to negative results. Also, our actions follow our thoughts and confessions. Hence, we are what we think, confess and act.

God created the world with the Word, "Let there be, and there was." We have the power to name things, which we inherited from Adam. You have the ability to speak things into being, through your confessing same with faith. Therefore, if you want to know what your feature will look like, just look at what you are speaking into it today. Whatever we speak today is what we will reap tomorrow. A spoken word is like a spiritual seed that can not be retrieved just as Isaac was unable to retrieve the blessings he placed on Jacob. The rule of spoken word is if you don't want it, don't speak it.
