**What If the Last 15 Years of Your Life Were Erased from Your Memory?** “Embraces do not matter; they merely indicate the will to love and may as well be followed by defeat as victory. But disregard means that now there needs to be no straining of the eyes, no stretching forth of the hands, no pressing of the lips, because theirs is such a union that they are no longer aware of the division of their flesh.” - Rebecca West, *The Return of the Soldier*

Having fought in World War One, 35-year-old Chris Baldry finally returns home. Believing he’s 20 years old, he is shocked when he finds out the he actually has a wife and that his childhood sweetheart is already married with another man. He slowly realizes the passing of time but he can’t remember anything from his last 15 years. Is there a solution?

This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This ebook also contains a bonus book club leadership guide and discussion questions.
