### Day of the Dead Valerie Albemarle

When Ryan argues and parts with his girlfriend on the eve of a special trip, all he wants is to be alone to clear his mind. The Mayan riviera is a small world for an accidental Canadian tourist, and it becomes even smaller when Ryan meets a man who is practically a neighbour. How unfortunate that a spot of youthful mischief prevents them from becoming good friends! But two people so well matched in wits can make even better enemies, while Mexico's dazzle and colour provide the perfect backdrop for the pageant of death.
