## **Knowing Mandela: A Personal Portrait** John Carlin

Equal parts freedom fighter and statesman, Nelson Mandela bestrode the world stage for the past three decades, building a legacy that places him in the pantheon of history's most exemplary leaders.

As a foreign correspondent based in South Africa, author John Carlin had unique access to Mandela during the post-apartheid years when Mandela faced his most daunting obstacles and achieved his greatest triumphs. Carlin witnessed history as Mandela was released from prison after twenty-seven years and ultimately ascended to the presidency of his strife-torn country.

Drawing on exclusive conversations with Mandela and countless interviews with people who were close to him, Carlin has crafted an account of a man who was neither saint nor superman. Mandela's seismic political victories were won at the cost of much personal unhappiness and disappointment.

*Knowing Mandela* offers an intimate understanding of one of the most towering and remarkable figures of our age.
