Millie's Second Chance: The Town of Pearl 4 Dixie Lynn Dwyer

Millie Donovan is thinking of coming back to Pearl for a visit as her newest relationship destructs and her past comes back to haunt her, or rather kill her. Frank, the man who nearly killed her two years ago, is released from prison on good behavior after seducing his therapist. He wants his Millie, and he will stop at nothing, not even murdering innocent people, to get to her.

Millie is no damsel in distress. She's determined to not let Frank or her past mistakes destroy her new dream of starting over in Pearl. She's learned that she deserves to be treated with respect, and damn it, she's done with men altogether. Her new life doesn't have the room for one. She's been burned twice before, and the third time is not going to happen.

The Lewis brothers - Dalton, Hank, Marco, Jeremy, and Anthony - disagree. She's the spark that lights their fires, and she's about to realize that they want to be part of *Millie's Second Chance*. Note: There is no sexual relationship or touching for titillation between or among siblings.
