Mosaic Michael Holroyd

When Michael Holroyd published *BASIL STREET BLUES*, in which one of our finest biographers turned his attentions to his own family, it was the beginning of a story rather than the end. For as the letters from readers started to arrive, the author discovered an extraordinary narrative that his own memoir had only touched upon. *MOSAIC* is Michael's piecing together of these remarkable revelations: some of which are pleasant surprises, others more startling. A love story, a detective story, a book of secrets, this is a beautifully written journey into a forest of family trees.
