The Book of Why Judy Hall

More than half the world's population believe in karma and reincarnation, however, from interlife exploration, it is clear that there are souls who still have a connection with a previous life that is way past its sell-by date. There are also souls who have chosen to undergo a specific life experience because they want to cultivate their soul or to offer service to humanity. In this wide-ranging book, Judy Hall encompasses the vast kaleidoscope of karma and interlife choices.
