## The Little Free Library Book (Books in Action) Margret Aldrich

"The Little Free Library is a terrific example of placing books—poetry included—within reach of people in the course of their everyday lives. Free is always a good thing, and the project has a nice give-and-take feel to it. Here's hoping we bump into literature when we turn the next corner—before we have time to resist!"—Billy Collins

"Take a book. Return a book." In 2009, Todd Bol built the first Little Free Library as a memorial to his mom. Five years later, this simple idea to promote literacy and encourage community has become a movement. Little Free Libraries—freestanding front-yard book exchanges—now number twenty thousand in seventy countries. *The Little Free Library Book* tells the history of these charming libraries, gathers quirky and poignant firsthand stories from owners, provides a resource guide for how to best use your Little Free Library, and delights readers with color images of the most creative and inspired LFLs around.

**Margret Aldrich** is a freelance writer and editor. Her articles have appeared in the *Utne Reader*, *Experience Life!*, and elsewhere. She lives in Minneapolis, Minnesota, with her family.
