## **Think and Grow Rich** Napoleon Hill

With over 20 million copies of *Think and Grow Rich* sold at the time of its author's death in 1970, Napoleon Hill's most significant and successful book is aimed to teach its readers how they can become significant and successful themselves – and he should know, having once served as an adviser to FDR. At the behest of no less a magnate than Andrew Carnegie, Hill used his earlier guide, *The Law of Success*, as a basis for this motivational classic, which was published in 1937 and still resonates, with its sound, clear advice for reaching your financial zenith.
