Can a dirty, rotten demon have free will? Meet Daryl—a low down, evil demon trapped in a world where he works three jobs, has to pay taxes, and has a mouth to feed. No longer can he slay mortals and command armies from the Abyss. Instead, he has to worry about where his next paycheck comes from. Enter a mysterious wizard with a self-help book to sell. However, he needs a tough luck case to prove it works, and Daryl begrudgingly takes the challenge. Will it be the transformation process that kills him, his own despair, the faceless dominator of the realm, or will he learn to grow and become something more than just a demon?
