NAKED AUTHOR STOPS AT NOTHING TO FIND HIS AUDIENCE AND BECOME CLOTHED BY A LITERARY AGENT AND PUBLISHER The Naked Author, Jason W. Mitchiner has burst onto the scene of NYC and NJ by land, sea and air. From his first historic book signing in his Speedo to walking into Random House in NYC and trying to hand deliver his second book the Naked Author has continued pounding the streets by running Marathons in NYC with his book in a Speedo, jumping out of airplanes with his book in his Speedo, and even surfing in the Belmar Pro with a copy of his book on his surfboard in his Speedo, all to promote his first book, Full Moon Rising:Based On A True Story and find his audience for his first book and many more to come. Now the Naked Author has hired the help of a professional freelance editor to make his second book perfectly edited and hopefully, this time around, picked up by a literary agent and then a large publisher. However the cost of this editor will far exceed the \$500 he paid someone with an English degree to edit his first book. All of the money that the Naked Author makes from his first book and on the streets of New York City/New Jersey and from his own family's budget will all go into covering over \$2,000 the new editor will charge, which the Naked Author will pay bit by bit and he raises the money. Then the Naked Author will turn his attention to raising over \$2,500 for charity and run in the 2008 NYC Marathon with a copy of his second book, Red Sea Divided:Based On A True Story. Right now the Naked Author is preparing for the Empire State Building Run-Up on February 5th, where he will attempt to run up 1,576 stairs with a copy of his book in hand in his trusty Speedo. The Naked Author will also record his adventure and broadcast it on youtube.com as just another segment of the Naked Author Reality Show. The Naked Author is putting everything that he has mentally, physically and emotionally into his books and promoting them as he hopes to one day be covered by the warmth and embrace of a literary agent and large publisher that can start to take the weight of marketing his books off his shoulders and make his books available throughout every bookstore worldwide.
