Monster on the Mountain Aurora Russell

Addy Montgomery's vacation is off to a rough start. First, a blizzard strands her alone at a remote mountain lodge. Next, she's nearly buried in an avalanche. She's saved by a mysterious monster who, incredibly, transforms into a gorgeous human man.

Kristoff Erkkila, an outlawed double-blood shifter, has been driven into isolation by his dark past. He's immediately drawn to the soft and curvy human, but he can't stand the thought of pulling her into the brutal and dangerous life he's been forced to lead.

In spite of Kristoff's efforts to keep her out of the conflict, Addy is targeted by hunters, forcing the two back together. Amidst death-defying rescues, strange shifter customs and prejudices, and truly spectacular sex, this might just end up being the best vacation Addy has ever had.

Reader Advisory: This story has graphic sexual language and scenes—no closed bedroom doors (or other rooms) here!

An adult paranormal romance from Ellora's Cave
