Alyssa has wanted two things her whole life: to be a writer, and to marry Tyler Pierce.

Tyler Pierce is her brother's best friend. He's a bad boy, baseball player and women love him. Alyssa never thought she would catch his eye. She's always loved him from afar. Content with that.

Sort of.

Until one day, Tyler returns her feelings and their relationship drastically changes.

And then Tyler goes off to join the military and is deployed shortly after. He only asks Alyssa for one thing when he goes 'Wait for Me.'

But Alyssa is left alone with her love for Tyler, broken promises, and a secret she has tried to share with Tyler, but one he has never acknowledged, leaving Alyssa to deal with everything with just her family by her side, but not the one person she really needs. The love of her life.

Two years later, Tyler returns to see Alyssa graduate, and he brings along his fiancé. Crushing Alyssa to pieces.

She flees to New York to work a dream internship, and Tyler returns overseas for his last year of active duty.

They both return to town around the same time. One broken from the battles of war, and one broken by the wreckage of a best friends relationship.

Alyssa doesn't want anything to do with Tyler, Tyler is only a shell of the man he once was.

Who will save them both and can anyone bring them back together?

This story deals with heartbreak, domestic violence and PTSD. It is not an overall dark romance. Not for readers under the age of 18 due to sexual situations and language.
