In Sarah, author Orson Scott Card uses his fertile imagination and uncanny insight into human nature to flesh out a unique woman — one who is beautiful, tough, smart, and resourceful in an era when women get short shrift in life as well as in the historical record. Sarah takes on vivid reality as a woman desirable to kings, a devoted wife, and a faithful follower of the God of Abraham, chosen to experience an incomparable miracle. Set in the splendor and excess of Egypt and the starkly beautiful desert landscapes of the Sinai peninsula, Sarah is an altogether believable and provocative drama. This first novel in a trilogy on the women of Genesis illuminates the hardships and the triumphs of a woman destined for greatness.

Born into a time and place where a woman speaks her mind at her own peril, and reared as a motherless child by a doting father, Rebekah grew up to be a stunning headstrong beauty. She was chosen by God for a special duty. For Rebekah must leave her father's house to marry Isaac, the studious young son of the Patriarch Abraham. Her struggles to find her place in the family of Abraham are a true test of her faith, but through it all she finds her own relationship with God and does her best to serve His cause in the lives of those she loves. In Rebekah, Orson Scott Card has created an astonishing personality, complex and intriguing, and her story will engage your heart as it captures your imagination.

Leah was so young when her sister Rachel was born that she could not remember a time when Rachel was not the darling of the family — pretty, clever, and cute, whereas Leah plugged along being obedient, hard-working, and responsible. Then one day a good-looking marriageable kinsman named Jacob showed up, looking for a haven from his brother's rage, and Leah fell in love at once. It didn't surprise her at all that Jacob saw only Rachel. But surely, as the two sisters worked and lived alongside Jacob for seven years, he would come to realize that Leah was the one he ought to marry. . .
