## **Bountiful: Recipes Inspired by Our Garden** Todd Porter, Diane Cu

Todd Porter and Diane Cu are photographers who publish the immensely popular food, gardening, and lifestyle blog [WhiteonRiceCouple.com](http://WhiteonRiceCouple.com). Inspired by their love of cooking, growing vegetables and over 38 fruit trees in their suburban garden, Todd and Diane love sharing recipes that are fresh and seasonally simple. Their cookbook, *Bountiful*, offers 100 seasonal, flavorful, and approachable recipes, 90 of which have not been seen on the blog, each featuring a vegetable or fruit as the star of the meal. Blueberry Frangipane Tarts, Wilted Mizuna Shrimp Salad, Blood Orange Bars and Gin Cocktail with Pomegranate & Grapefruit are just a few examples of recipes that are inspired from their garden bounty.

Peppered with personal stories from Todd's childhood on a cattle ranch in Oregon and Diane's journey from Vietnam to the United States, this cookbook shares the couples' beautiful love story as well as their diverse recipes that reflect their love of fresh and healthy produce, seasonally ripe fruit and sharing a home cooked meal with those you love.

Praise for *Bountiful*:

“It’s always nice to see power food bloggers put out cookbooks that are a print manifestation of what drew readers to their websites in the first place.” —*Austin American-Statesman*

#### **Cory Marshall:**

That guide can make you to feel relax. This kind of book Bountiful: Recipes Inspired by Our Garden was multi-colored and of course has pictures on there. As we know that book Bountiful: Recipes Inspired by Our Garden has many kinds or variety. Start from kids until young adults. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. Therefore not at all of book usually are make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for you and try to like reading in which.

#### **Maria Hughes:**

As a student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Bountiful: Recipes Inspired by Our Garden can make you sense more interested to read.
