It is obvious that the modern day church movement is driven by a culture of leadership. However, a LAST DAYS church is steadily emerging that will be distinctively marked by an increasing occurrence of signs, wonders and miracles impacting every generation, gender, social class and economic status. LEAD UP – Creating a Christ Centered Culture is a very timely and needful book for today's growing leader. It will help bridge the gap between the wide-ranging diversity of church movements, regardless of model or style, and bring a strong awareness to the need for a PRESENCE-BASED paradigm in the local church. This is not just another book for the self-driven leader seeking more methods to manipulate people through tested techniques and trends. It is a humble call for the church to refocus on its number one priority... To make JESUS CHRIST and the presence of the HOLY SPIRIT the center of all we are and all we do!
